### How to Capture Awesome Images with your DSLR Camera

#### Beginners Level 1

In this 3-hour workshop we'll cover aperture and shutter speed and show you how to change them on your camera. Next we'll discuss how to use these settings to create the image you want. Bracketing the exposure is a very key part of this and will set you on the right path. We will also cover the use of polarizers and capturing images in the RAW format.

**Instructor:** Andy Porter, NW Images

12yrs-up*	6:00-9:00 pm	Parks and Rec Center	Min 4/Max 16

2795	Wednesday	October 18	\$40
2796	Thursday	October 26	\$40

\*16 & under with parent\*

#### Intermediate Level 2

In this class we will delve deeper into depth of field and how to master control over how much of what's in front of you is in focus. Then we'll cover the use of different shutter speeds to create stunning, unique images.

Learn advanced techniques to obtain a sharp focus throughout your entire image, as well as use of a tripod and tips on how to capture images at night.

**Prerequisites:** You must have taken the How to Capture Awesome Images with your DSLR - Beginners Level 1 OR be VERY comfortable shooting in the Manual Mode with your current camera.

**Instructor:** Andy Porter, NW Images

12yrs-up*	6:00-9:00 pm	Parks and Rec Center	Min 4/Max 16
